

Waterbury Community Development Committee
Minutes of April 13, 2005

Present: Carol O'Neill, Ted Schultheis and Mildred Badger

Absent: Missy Parks, Mary Miller, Ken Feld and Steve Van Esen

The meeting began at 6:10 pm.

The Committee discussed the Legislative Breakfast and all agreed that the Breakfast was a success. We also discussed what worked and what did not work so future meetings with the public would be more productive and better organized.

We discussed a 'summer initiative' to keep the organization in the public eye.

Carol suggested we speak with the Beautification Committee of Revitalizing Waterbury to find out about when and how flowers will be displayed in the community.

Carol also told the Committee she contacted Mary O'Leary and George Woodard and thanked them for their service to the Town of Waterbury, as they are no longer a part of our Committee.

Milly asked Carol to find out what the UDAG balance was and let the Committee know by the next meeting, as there are still two persons interested in UDAG money and there is a substantial block of money committed to borrowers from the UDAG Fund.

With no other business to come before the Committee, the meeting adjourned at 6:50 pm.

Respectfully,

/s/ Mildred Badger

Mildred Badger, Secretary
