

**Waterbury Community Development Committee  
Minutes of June 8, 2005 Meeting**

Present: Carol O'Neill, Chairperson, Ted Schultheis, Missy Parks, Ken Feld, Mary Miller, and Mildred Badger.

The Meeting began at 6:05 pm.

The Committee interviewed two people interested in borrowing funds from The Town of Waterbury's Revolving Loan Fund.

The first candidate is a local Waterbury based marketing company interested in raising about \$500,000 in capital to promote their products. WCDC stated we were not in the business of lending money for marketing products. WCDC suggested the candidate contact VIDA, SBA, or any one of the state's economic development agencies to apply for a loan. We gave the candidate the names of the contact persons for the above agencies.

We then interviewed a local shop owner who is interested in promoting a new line of products. Again, WCDC explained WCDC was not in the business of lending money for inventory and marketing ventures. WCDC suggested the shop owner contact Community Capital and we gave him Emily Kaminsky's name and phone number.

On a motion by Ken Feld and seconded by Missy Parks, the minutes of the May meeting were approved.

For its next article in Exit 10, it was suggested we highlight what WCDC is about, with emphasis on the website. Carol asked everyone to come up with ideas on what to include in the article before the deadline date of Friday and send her an e-mail, as she is responsible for the next article in Exit 10. WCDC should also let the readers know that any Waterbury Business can have a Business Listing on the website free of charge, under the Waterbury Business Listing.

Missy is working on getting the Committee the 'number of hits' to the WCDC website for the past month and will e-mail the results to the Committee.

Carol told the group to remember there is no meeting in August – we are on vacation.

There being no further business to come before the Committee, the meeting adjourned at 8:00 pm.

Respectfully submitted,

/s/ Mildred Badger

Secretary, WCDC
