

**Anderson Field** is located on Butler Street by the swimming pool, recreation building, tennis courts, basketball courts and small playground. Typically used as a little league baseball field.

**Rusty Parker Park** is located on South Main Street in front of the train station; it has a gazebo, swings, benches and a small stage.

**Hope Davey Park and Fields** is located on Maple Street in Waterbury Center behind the center fire station. It has a picnic shelter, playground equipment, Frisbee golf course and has two ball fields.

Field 1-Closer to the building

Field 2-On the Loomis Hill Side

Wet field, poor drainage cannot be used until later in the season.

**Seminary Field** is located on Hollow Road behind the Seminary Building. This field is a small field.

**Dascomb P Rowe Field (DAC Rowe)** is on North Main Street in Waterbury and has restrooms, swings, horseshoe pits and several different fields.

**Library Field** is located in the front closest to Main Street. It has two dug outs and is a small field. Typically used for little league baseball/softball.

**Lighted Field** is the big field in the center with lights. It has benches, bleachers, water and is near the restrooms. Typically used for adult softball.

**Soccer Field** is on the right, across from the lighted softball field in the center.

**Babe Ruth Field** is on the right after the Soccer Field. It has a mound and dugouts. Typically used for boys baseball.

**Softball Field** is on the right after the Babe Ruth Field. It has dugouts and bleachers. This field is typically used for high school, girls Softball. Also used for adult Softball.

**Farm Field** is the last field on the right. Typically this field is used for T-ball, and farm league teams.
