Reviewed draft of Ladd Hall fact sheet that R. Ellis created. Discussed who is eligible to live at the affordable housing facility. Why does the rent vary on apartments? Will CVCLT pay property taxes? Does rent include heat and utilities?

Chris Palermo and the Historical Society are requesting more space than what is currently suggested in the new Municipal Civic Complex. The Historical Society is willing to contribute \$100,000, and they might receive more money through the National Environmental Policy Act review process. The Steering Committee feels that we need to work on how to reduce costs of this project. Chris Palermo to attend Friday morning meeting with Black River Design.

Reviewed H. Grenier's draft of library fact sheet, which is intended to arm the Steering Committee with answers to questions they might receive from the community about the library.

Walked through B. Farr's PowerPoint presentation to be used on Town Meeting Day.

Reviewed survey questions created by E. Loomis to poll community members about the Municipal Civic Complex.

There being no further business, the meeting was closed by R. Ellis at 6:54pm.

Respectfully submitted,

Eva Loomis, VISTA
