

Waterbury Cemetery Commission
September 2, 2014
Meeting Minutes

Present: John Woodruff, Betty Jones, Barbara Walton, Ed Brown and Jack Carter

John called the meeting to order at 4PM.

Hope Cemetery Clean Up Project, Saturday, Sept 6, 2014, at 9am

Jack reported that a number of people(10-12) from the community plan to attend the clean up activity on Saturday. Water and clean up equipment will be provided by the town.

Community Gardens Group Request for Water

Discussed the request of the group to use water from the Hope Cemetery spigot. Members of the committee agreed to allow the group to use the water for the gardens without charge.

Tree Removal in Hope Cemetery

John walked the area with Eric Potter and received recommendations and cost to remove trees . The cost for removal of the trees would be \$1,000.00.

Shed Proposal for Old Waterbury Ctr Cemetery, Route 100

Committee discussed the need for the shed and the cost just under \$2,000.00. However, additional information is needed: 1) permission from Town to allow for the shed to be placed outside the cemetery and 2) review cemetery budget before ordering the shed. Company would deliver and set up shed.

By Laws

John will have a draft document for committee to review at next meeting, Oct. 7, 2014
