

Waterbury Cemetery Commission

November 3, 2015 meeting minutes

4pm – Steele Block – 2nd floor conference room

Present: John Woodruff, Barbara Walton, Jack Carter, Betty Jones

October 6th minutes approved.

Hope Cemetery.

Discussion about various items.

Jack handed out text he wrote and presented at the Recreation Department's Ghost Walk concerning Margaret Annette Spencer. Mrs. Spencer had a very interesting life and built Waterbury's only mausoleum. About 50 people took part in the Ghost Walk.

Barbara, Jack and Chad are continuing to inventory the condition of stones. They have completed Section A and D and working on Section B. Condition of many stones are in need of repair in these sections. Looking to 2016 we plan to budget for restoration but it will be a costly undertaking.

Barbara asked that two additional boulders be placed at the entrance where the fence was taken out to prevent cars from parking close to the cemetery.

Skip Flanders furnished a 1925 photo of the fountain in Section C. Photo was passed around.

Maple Street Cemetery.

John has found lots without corner posts and has started to place them from the supply in the shed. It was voted to approve payment to Brian Lindner of \$50.00 for transfer of his lot back to the Town.

Meeting adjourned at 5:10 – Next meeting, December 1st.

Respectfully submitted, Jack Carter
