

Waterbury Cemetery Commission

February 2, 2016 meeting

Waterbury Municipal Center Steele Community Room

4 PM

Present: John Woodruff, Betty Jones, Barbara Walton, Jack Carter

Public: Sam Miller

Minutes of January 5th meeting approved.

Financials were reviewed comparing 2015 budget status with proposed 2016 budget. 2016 proposed budget has an increase.

Hope Cemetery. John has spoken with Bill Morse and he will attend the March meeting to discuss proposed future transfer. Our meeting day is also Town Meeting Day but it was decided to keep our schedule anyway.

Old Center Cemetery. More discussion about signage and members were advised to look at table sign/kiosk at Hope Davey Park to see if that would work. Steve Lotspeich will be asked about cost of the table sign.

Sam Miller. Sam Miller, Waterbury Center insurance broker, presented a proposal for market linked certificate of deposit. It was noted that we already have our investments through the Town fund. Sam was thanked for his interest and that we would keep the information on file.

Everyone enjoyed the new conference/meeting room at the Municipal Center.

Meeting adjourned at 5 PM

Next meeting, March 1, 2016, 4PM, Municipal Center.

Respectfully submitted

Jack Carter
