

Meeting started 6:40pm

Present: Allan Thompson, Billy Vigdor, Linda Gilpin, Steve Hagenbuch, Joan Beard

Guests; Jill Sackett, Meg Baldor

300 bear creek lane

- Jill Sackett started with her concerns with zoning issues with “Grenier” lot.
  - Discussion on role of WCC in zoning and understanding process and the regulations.
- Meg Baldor gave great presentation on issue of disc golf at Hope Davey, history of the site and expanded use.
  - Included references to water quality, thatcher brook study and associated water rules.
  - Meg Baldor suggested the Rec. Committee is considering how to address the issue and WCC informally suggested that we would be willing to participate.
- The Northeast Wilderness Trust, in writing decided to withdraw the request to have WCC support the conservation of the Nufield parcel in Waterbury.
  - The WCC had voted to write a letter of support in the August meeting but as a result of the withdrawal, did not.
- Brief Conversation about new commissioner and how and if to solicit for a new commissioner.  
No action
- A brief update on condition of the website citing the hard work of past members and Jamie Benson.
  - Still requires updates and commitments.

Meeting Closed 8:05
