WHEREAS, the Town of Waterbury (the “Issuer”) intends to construct improvements to its infrastructure for flood mitigation, namely creating flood storage capacity at Randall Meadow to reduce the impact of flooding for significant portions of the Town of Waterbury’s downtown (the “Project”); and

WHEREAS, the Issuer expects to pay certain capital expenditures (the “Reimbursement Expenditures”) in connection with the Project prior to the issuance of indebtedness for the purpose of financing costs associated with the Project on a long-term basis;

WHEREAS, the Issuer reasonably expects that for that part of the Project consisting of design and construction costs, debt obligations in an amount not expected to exceed \$4,500,000 will be issued and that certain of the proceeds of such debt obligations will be used to reimburse the Reimbursement Expenditures; and

WHEREAS, the Issuer declares its reasonable official intent to reimburse prior expenditures for the above-described part of the Project with proceeds of a subsequent borrowing:

NOW THEREFORE, the Issuer declares:

Section 1. The Issuer finds and determines that the foregoing recitals are true and correct, and that all of the capital expenditures covered by this Resolution were or will be made not earlier than 60 days prior to the date of this Resolution.

Section 2. This declaration is made solely for the purposes of establishing compliance with the requirements of Section 1.150-2 of the Treasury Regulations. This declaration does not bind the Issuer to make any expenditure, incur any indebtedness, or proceed with the Project.

Section 3. The Issuer hereby declares its official intent to use proceeds of indebtedness to reimburse itself for Reimbursement Expenditures, within 18 months of either the date of the first expenditure of funds by Issuer for such Project or the date that such Project is placed in service, whichever is later (but in no event more than three years after the date of the original expenditure of the Issuer’s funds for such Project), and to allocate an amount not to exceed \$4,500,000 of the proceeds thereof to reimburse itself for its expenditures in connection with the Project.

Section 4. The Issuer's debt obligations for the aforementioned purpose will not be "private activity bonds" within the meaning of Section 141 of the Internal Revenue Code of 1986.

## RESOLUTION CERTIFICATE

RESOLVED, at a regular meeting of the Selectboard of the Town of Waterbury duly warned and noticed and held on January 5, 2026, it was determined that the public interest and necessity demand that the Town of Waterbury (the “Town”) undertake certain capital improvements to its infrastructure, namely creating flood storage capacity at Randall Meadow to reduce the impact of flooding for significant portions of the Town of Waterbury’s downtown at an aggregate estimated cost of Four Million Three Hundred Thousand Dollars (\$4,300,000) subject to reduction from the receipt of available state and federal grants-in-aid which is expected in at least the amount of Two Million Dollars (\$2,000,000); and

BE IT FURTHER RESOLVED, that the cost of completing the Town’s share of the costs of constructing such improvements, after application of available state and federal grants-in-aid, and the application of available reserves (if any), will be too great to be paid out of the annual revenue of the Town; and

BE IT FURTHER RESOLVED, that a proposal for the issuance of general obligation bonds of the Town in the aggregate amount not to exceed Four Million Three Hundred Thousand Dollars (\$4,300,000) to pay for its cost of the same, subject to reduction through the receipt of any state or federal grants-in-aid and other financial assistance which is expected in at least the amount of Two Million Dollars (\$2,000,000), should be submitted to the legal voters of the Town of Waterbury for voting by Australian ballot at the annual meeting of the Town to be duly called and held on March 3, 2026; and

BE IT FURTHER RESOLVED, that all acts relating to the proposition of incurring bonded indebtedness and the issuance of general obligation bonds of the Town of Waterbury for the purpose of constructing and operating said improvements within and without the corporate limits of the Town be in accordance with the provisions of Chapter 53 of Title 24, Vermont Statutes Annotated; and

BE IT FURTHER RESOLVED, that the Town will hold a public informational hearing on the proposition of issuing bonds for the Project on Monday, February 16, 2026, commencing at five thirty o’clock (6:30) in the afternoon (p.m.) at the Town Hall in the Town of Waterbury (and by Zoom); and

BE IT FURTHER RESOLVED, that the attached Warning and form of Ballot be adopted for use in connection with consideration of the above-stated proposition of making said public improvements and incurring bonded indebtedness therefore.
