Good afternoon,

Just to bring you up to date on what I know about appropriations.  
Most of the organizations have asked for level funding in 2026 but there are a couple to know have not.

Community Harvest is asking to increase from \$500 to \$1,000  
Common Market (new this year) has asked for \$5,000  
Harry N Cutting American Legion reduced from \$2,500 to \$1,500  
MakerShere is asking to increase from \$2,500 to \$3,500  
The Children's Room is asking to increase from \$4,000 to \$7,500

These are the ones I know about now 😊  
Thanks Karen
