The Trustees met at the Wesley United Methodist Church at 5:30am to begin preparations for the Municipal Employee Appreciation breakfast at 7:30am. The Trustees were assisted by members of the Select Board and the Library Commissioners.

Pancakes, bacon, and sausages were served along with muffins, orange juice, and coffee.

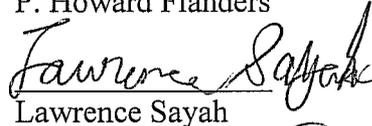

The elected officials enjoyed a breakfast with the municipal employees from the Highway Department, Police Department, Library, Water Department, Wastewater Department, Town Clerk's office and municipal office. Following the breakfast the employees and elected officials introduced themselves and some shared a favorite story about their time serving Waterbury.
