Honoring the 250th year of the founding of the United States. A suggestion has been made to incorporate **VT 250 themes** into the exhibits in the History Center. Cheryl is the committee organizer for the townwide event honoring the 250th year of the founding of the United States. The local recognition is under the auspices of the selectboard. The Rotary and the owner of the Stagecoach Inn are interested in being involved as are several other Waterbury residents.

The American Association of State and Local History (AASLH) has proposed the following themes: Unfinished Revolutions, Power of Place, We the People, American Experiment and Doing History. A person can go to the town website and look under News and Initiatives to find more information. Cheryl is looking for ideas.

Bylaws – amendments: the committee members (Joe, Cheryl, and Margaret) will keep working on the bylaws. It is not required that amendments to the bylaws be acted upon at an Annual Meeting.

Exhibits: Cheryl and Ryan made a proposal to close the exhibit space for 3 to 4 months to give volunteers an opportunity to showcase a wider range of stories with more information to make a greater impact. Some topics that might be worthy of recognition are Ezra Butler, Dr. Janes' wife, Francis Janes, Waterbury residents in all wars. People will still be able to access Past Perfect. Margaret said that she would be willing to meet people who would like to access files. **A grand reopening will be planned for the spring.**

In connection with the above proposal is Stacey Askew's leave of absence to care for her husband beginning Nov. 1. She would like to take the laptop home to work on cleaning up the database during that time. Margaret made a motion to allow Stacey to take the laptop. Jill seconded. Approved. Sandy Hough will continue entering items into Past Perfect.

Cheryl is taking a truckload of excess and deaccessioned items to Merrill's Auction House on Friday, September 26.

Annual Appeal letter: Cheryl has written a letter. Some feedback was given.

The **Waterbury Historic Tour Brochure** needs to be distributed around the town for visitors.

Next meeting: October 15 at 4:30 in the Steele Room.

Notes respectfully submitted by Grace Sweet. (Grace will not be present on 10/15. Laura volunteered to take the notes.)
