Agency of Transportation

To Whom It May Concern,

In accordance with Title 19, Vermont Statutes Annotated, Sections 1109-1110, the Transportation Board has made and promulgated a rule to prevent the abuse of highways from November 15th to December 31st and January 1st to May 15th inclusive, in each year, or until adoption and announcement of any modification to the rule, two copies of which are enclosed herewith. In accordance with Section 12 of Act no. 246 of 1990, this rule is now administered by the Agency of Transportation.

In reading over these Sections you will note:

- a) This rule does not become effective in a particular town until it has been filed with the Select board, and
- b) Posted by the Select board in two public places, such as bulletin board at the Town Hall, or the office of the Town Clerk or Town Treasurer. Posted on privately owned property does not, in most cases, meet the legal requirements. The attached rule is sent to you for this purpose, if you have occasion to use it.
- c) The road to be protected must also be posted at each end with suitable conspicuous notices.

	Town Highways (Classes 2, 3 and 4)
Two-axle trucks	15,000 lbs
Three-axle trucks	18,000 lbs
Tractor-trailer units	20,000 lbs

If there are any roads in your town on which it is advisable to limit the loads from November 15th to December 31st and January 1st to May 15th, it will be necessary for you to post these two notices as outlined above. The conspicuous notices for each end of the road affected may be procured from your District Transportation Administrator.
