

requested, so far. Free breakfast and lunch program will be available again this summer.

The Waterbury Recreation Department is now a member of VT Parks and Recreation. There is a Parks & Rec seminar June 6TH to be held in Hartland, VT. Pool and Camp staff will be cross-trained.

**Change:** Opening day for Soccer will change from Dac Rowe to the Ice Center, Capital Soccer fields.

The office for Recreation is located in the new Municipal Building. All recreation opportunities will be posted on the Recreation Bulletin board as well as the paperwork needed is available to the public without me being in the office.

- a. Rec Committee work day for summer rec. - cleaning? Painting? Counselor training? What are the needs?
- b. Bus service loop; "pool bus" (Future )
- c. Phone service at Recreation building

5. Don Schneider-Waterbury Select board, Chair: Wants to mend fences moving forward between the SB and Rec Comm. Don will act in an advisory capacity.

5a. Recreation Director Search Committee: -15 min.

Search committee for the Recreation Director, to be filled by one Select board member, two Recreation Committee members, and one Municipal Staff member, in addition to W. Shepeluk and B. Gilpin.

Bill Woodruff would possibly be a good municipal staff candidate for search committee. Committee will meet 1ST week in May. The Rec Comm will offer candidates the following candidates: Frank and Diane.

6. Pickleball player's request for painted lines on the tennis courts- Pat Householder: -10 min.

Pat introduced PB to Waterbury last summer. Temporary lines were made with tape and chalk. Pb is played primarily in the morning hours. Pat would like two of the tennis courts to receive permanent painted lines.

Tami Bass, Waterbury Tennis Director: Extra lines can be confusing.

Compromise has been to paint lines the same color as existing lines. HUHS would not be able to hold sanctioned matches with confusing extra lines on the court. Tami suggests temporary, removable, and reusable lines. She also has appropriate nets available for PB usage. Pat will do some research on temporary markers and report back to the Rec Committee at our next meeting on 5/11/16.

7. Potential new Waterbury Recreation Committee Members: -10 min.

Persons interested in joining the Waterbury Recreation Committee are encouraged to attend several meetings in order to comfortably share in the give and take of open exchanges and eventually clarify their personal areas of recreation interests.

8. Upcoming Dates of interest: -5 min.
