DISCIPLINE POLICY: Our goal is to ensure that every child leaves camp with a smile at the end of the day. We can only accomplish that goal in a safe, supportive environment at camp. Chronically disruptive behavior that requires constant attention from staff, negatively impacts other campers, or consistently breaks camp rules is unacceptable. If a child's behavior is not cohesive with the camp environment, their enrollment will be terminated **without refund**.

At camp, discipline is handled based on a three-strike system. A camper may receive up to three "warnings" in one day for inappropriate behavior. After the third warning, the camper will be dismissed for the remainder of the day. Warnings may come from a combination of staff members and are cumulative throughout the day. Each camper receives a "clean slate" the next morning. If a child is dismissed for behavioral issues three different days, he/she will be suspended from the remainder of the program without refund. Please note that some behaviors merit immediate dismissal or suspension without the warning process, by discretion of the Program Supervisor.

Camp rules will be discussed with children on the first day of the program. If your child is unable to attend the first day, please obtain a list of rules and review them with your child prior to attending.
