

Waterbury Tree Board's October Tree Pruning Workshop:

Date: Friday 10 /27

Location: Maple Street Cemetery 4:30 PM to 5:45 PM

The Tree Board will meet with tree care specialist, Caldwell Clark from Treeworks; to observe best management practices for tree pruning and to help and participate in pruning a row of seven Bur Oak trees that were planted in 2016. Participants are asked to bring lopping shears and other appropriate hand tools.

The workshop will begin at 4:30 pm on the outer road of the cemetery. If there is time the group will look at the pruning needs of other trees planted over the last decade or two in the cemetery.
