**NOTICE OF PUBLIC HEARING  
WATERBURY DEVELOPMENT REVIEW BOARD  
Wednesday, June 17, 2026**

The Development Review Board for the Town of Waterbury will convene a public hearing on Wednesday, June 17, 2026, at 6:30 p.m., in the Steele Community Room in the Municipal Complex, 28 North Main Street, Waterbury *and* via Zoom. Remote connection details will be provided on the DRB agenda, published on [www.waterburyvt.com](http://www.waterburyvt.com), prior to the meeting.

The Board will act on the following:

**#023-26: Waterbury Public Works/Agency of Transportation**

This project will stabilize the Thatcher Brook channel bed and banks to reduce erosion risk to the sewer line near the channel along Stowe St. A flood bench will be created, the channel will be widened, and the existing sewer main encasement will be extended under the widened channel section. Four riffle grade control structures will be installed to raise the channel grade and prevent further downcutting.

Application materials can be viewed at the municipal offices Mon.-Wed. and Fri., 8:30a.m.-4:30p.m. or on the DRB web page (<https://www.waterburyvt.com/boards/drb>).
