

Edward Farrar Utility District

Application for Water and Sewer Allocation & Connection

The undersigned hereby requests an allocation of water and/or sewer from the Edward Farrar Utility District and also requests permission to tap into the water and/or sewer system of the District. If necessary, a zoning permit cannot be issued until this application has been received and processed by the Edward Farrar Utility District Commissioners. The permit is void in the event of misrepresentation or failure to complete construction within two years of the date of approval.

Water Allocation Fee, per gallon: \$3.99*

Sewer Allocation Fee, per gallon: \$6.23

Meter Fee: EFUD cost plus 25%

**Previous "Village of Waterbury" residents may be offered a discounted price of \$3.60/gal if the property has been connected to the Municipal system for seven or more years.*

FAQ'S

Q: How is my total allocation calculated?

A: The Edward Farrar Utility District follows the State of VT Water Supply Rule and Wastewater System and Potable Water Supply Rules, which can be found at:
<http://drinkingwater.vt.gov/dwrules/pdf/vtwsr2010.pdf>.

Q: What does my per-gallon allocation represent?

A: Purchased allocations guarantee that your property will have the necessary water and wastewater capacity it needs to function properly. The allocation is based on a maximum capacity to guarantee that the system can provide your property with adequate water and sewer service on a maximum use day.

Q: What happens if I give up my allocation?

A: By "giving up" the allocated capacity to your property, you are no longer responsible for paying base charges on that property. However, once allocation capacity is revoked, your connection to the system will be suspended and you will need to re-purchase the allocation at full cost to restart service.
