PROJECT DESCRIPTION

Brief description of project: Replacing a 14x70 mobile home with a newer 16x80 mobile home at 228 East Wind

Drive in Waterbury Center, VT 05677.

CONDITIONAL USE CRITERIA

Please respond to the following; you may answer on a separate sheet and attach additional pages and supporting materials:

- 1. Describe how the proposed use will not have an undue adverse impact on the capacity of existing or planned community facilities to accommodate it (including roads and highways, municipal water or sewer systems, school system, fire protection services):
 - The mobile home that is being replaced had 3 bedrooms and 2 bathrooms. The replacement mobile home will not exceed that as it also has 3 bedrooms and 2 bathrooms. Therefore there will be no affect on community facilities.
- 2. Describe how the proposed use will not have an undue adverse impact on the character of the area affected as defined by the Municipal Plan and the zoning district in which the proposed project is located: The mobile home will be placed in an existing mobile home park on an existing lot. The only change will be the addition of 300 square feet as the new mobile home 2 feet wider and 10 feet longer.
- Describe how the proposed use will not violate any municipal bylaws and ordinances in effect: We have already received verbal permission from the adjacent land owner and they will comply with the written notice when they receive it.
- Describe any devices or methods to prevent or control fumes, gas, dust, smoke, odor, noise, or vibration: N/A
- 5. For removal of earth or mineral products which is not incidental to a construction, landscaping, or agricultural operation, a removal project must meet specific conditions outlined within Section 302 of the Waterbury Zoning Regulations. Are the conditions included within the Application Submittals?

N/A
