## PROJECT DESCRIPTION

Brief description of project: Adding an approximately 330 sa ft deck to back of house on one side. \& this deck with a 30 ft setback. The proposed deck would extend between $30-40 \mathrm{ft}$ away from the feno

## CONDITIONAL USE CRITERIA

Please respond to the following; you may answer on a separate sheet and attach additional pages and supporting materials:

1. Describe how the proposed use will not have an undue adverse impact on the capacity of existing or planned community facilities to accommodate it (including roads and highways, municipal water or sewer systems, school system, fire protection services):

The proposed deck will not have any undue impact on community facilities. It is located on back side of the house away from any roads or community infrastructure.
2. Describe how the proposed use will not have an undue adverse impact on the character of the area affected as defined by the Municipal Plan and the zoning district in which the proposed project is located:

> The proposed deck will not impact the character of the area. It is located on the backside of the house which is located on top of a hill, as it is a low deck it will likely not be visible from most areas outside of the property boundary.
3. Describe how the proposed use will not violate any municipal bylaws and ordinances in effect:

We are seeking a waiver to build this deck with a 30 ft setback from the fence that marks the property boundary. With this provision, the proposed deck will not violate any bylaws or ordinances.
4. Describe any devices or methods to prevent or control fumes, gas, dust, smoke, odor, noise, or vibration:

```
Deck will be constructed with as little fumes, odor, noise etc as possible. We will use
battery-powered tools and non-toxic materials whenever possible.
```

5. For removal of earth or mineral products which is not incidental to a construction, landscaping, or agricultural operation, a removal project must meet specific conditions outlined within Section 302 of the Waterbury Zoning Regulations. Are the conditions included within the Application Submittals?
