Announcements and General public comments

Katie Gallagher gave a brief update on the Better Connections Grant.

Alex Belenz and Julia Randall from the SE Group attended the meeting.

Municipal Plan Update Tasks:

Review of revised Aspirations-Goals-Strategies prepared by the SE Group for Local Economy, Municipal Services.

The Planning Commission met with Alex Belenz and Julia Randall from the SE Group to review their updated Aspirations, Goals and Strategies documents for the local economy chapter, the municipal services chapter. These updates came from the public participation comments received during the Aspirations, Goals and Strategies public meeting for the local economy and municipal services chapters.

Comments and suggestions were made as the documents were edited during the meeting. The agreed upon edits and changes will be finalized by the SE Group.

The SE Group will add implementation and tracking metrics to the draft chapters.

These documents will form the basis of the respective chapters in the Town Plan Update.

PC agreed to the following review schedule:

January 12: Local Economy, Municipal Services, Culture and History

January 26: Transportation, Energy, Natural Resources, and Flood Resilience

February 2: Land Use, Housing and Community Services

The schedule will be posted on planWTB. Drafts provided by SE Group will be distributed to contributing groups, not posted on the planWTB website.
