

# WATERBURY PLANNING COMMISSION MINUTES

**Monday, January 26, 2026  
6:00 P.M.**

Planning Commission: Dana Allen, Martha Staskus, Billy Vidgor, Robbie Adler, Kati Gallagher  
Staff: Neal Leitner  
Public In Attendance: Alex Belenz and Julia Randall from the SE Group.

Meeting convenes. Meeting is held in-person in the Steele Room at the Waterbury Municipal Offices located at 28 N. Main St., or by zoom with the link below.

## Agenda review and possible modifications

Due to time limitations, Flood Resilience and Energy were postponed to the next PC meeting.

## Announcements and General public comments

### Municipal Plan Update Tasks:

Review of revised Aspirations-Goals-Strategies for Natural Resources and Transportation.

The Planning Commission reviewed the updated Aspirations, Goals and Strategies documents for the Natural Resources chapter and the Transportation chapter.

Comments and suggestions were made as the documents were edited during the meeting and will be updated as agreed by SE Group.

The SE Group will add implementation and tracking metrics to the chapter template. These templates will form the basis of the respective chapters in the Town Plan Update.

To expedite the PC's work on the Town Plan, SE Group will provide a survey for each Chapter's Aspirations, Goals, and Strategies to be completed by the PC members. The survey results will then be coalesced by SE Group into their next respective drafts.

On February 9, the PC will review Housing, Energy, and Flood Resilience chapters, as time permits.
